Product Configuration Table

product model	Capsule C5	
Overall dimensions	Long:5.7M Wide : 3.57M height:3.27M floor space : 20.34 ㎡	
cover an area	**20.34 ㎡**	
Occupancy	**2 persons**	
Power consumption	**10KW**	
Main peripheral structure		
1.	Main frame (galvanized steel frame structure)	Galvanized square tube
2.	Shell (aluminum alloy aluminum veneer)	2.5mm thick national standard
3.	Shell surface treatment (metal fluorocarbon baking paint)	30 year process standard fluorocarbon baking paint
4.	Thermal insulation and waterproof layer	Flame retardant, high-density, high-strength, A+grade environmentally friendly, odorless polyurethane insulation layer spraying process
5.	Glass curtain wall	6mm tempered glass+16mm vacuum layer+5mm tempered glass+16mm vacuum layer+6mm tempered glass
6.	Open window	6mm tempered glass+16mm vacuum layer+5mm tempered glass+16mm vacuum layer+6mm tempered glass
7.	Entrance door	Zinc alloy custom door
8.	Entry lock (hotel outdoor waterproof intelligent door lock)	Swipe card, remote control, fingerprint, password
Environmental protection and fine decoration inside the cabin		
9.	suspended ceiling	Environmentally friendly bamboo and wood fibers
10.	Wall surface	Bamboo and wood fiber board
11.	Floor	Environmentally friendly stone plastic flooring
12.	Cabin lighting	LED light strip surround
13.	Fresh air circulation system	Positive pressure fresh air system
14.	LED down light	
15.	Wall electrical box	Flame retardant, hard plastic, brand electric box
16.	Full shading curtain system	Including motor, track, and fully shaded curtains
Hardware bathroom		
17.	Toilet privacy door	Unidirectional frosted tempered glass
18.	Ceiling/wall (all aluminum alloy fine decoration)	Environmentally friendly bamboo and wood fiber board
19.	shower head	HOROW brand Three in One Shower
20.	Wash basin/basin/mirror brand high-end	Marble countertop/ceramic wash basin/induction lighting, intelligent defogging

21.	Sanitary toilet	HOROW brand intelligent toilet
22.	Toilet floor	Artificial marble
23.	Bathroom Master	Ventilation, lighting, and heating in one bath
Electrical/Water and Electricity		
24.	wire	Qingdao　one cable 10 square meters incoming line, indoor 1, 1.5, 2.5, 4, 6 square meters wires
25.	Network cable	8-core network cable
26.	Water pipe	Poly insulated PVC line pipeline
27.	Electrical equipment room (air conditioning/water heater)	Hisense 2P air duct unit central air conditioning Haier Leader brand 60L water storage electric water heater
28.	Five hole socket/three hole socket international electrician	European standard
29.	Switch panel/USB panel international electrician	European standard
intelligent control system		
30.	Insert card power/remove card power	
31.	Multi-scenario mode function panel	
32.	Lighting Intelligent Control	
33.	Intelligent control of curtains	
34.	Intelligent voice system	
35.	Hotel Connection System	
Product accessories		
36.	Lifting Rings/Transport Fixtures/Connections	Steel plate processing parts
37.	kickstand	Galvanized steel pipe
Optional		
38.	Graphene floor heating	
39.	Upper and lower water and electric thermal protection system	
40.	Level 3 step ladder	
41.	Custom cabinet	
42.	electromagnetic oven	
43.	Wash vegetable basin	
44.	Simple lampblack machine
